SING A SONG FOR PEACE

music and lyrics by Elaine Serling (ASCAP)

spoken-

Zamru zemer la' shalom
Le'chol echad she'ba ha'lom
Sing a song for peace
For everyone to hear

verse

Far and wide, across the sea

And very near to home
There are people living together
And some remain alone

Yet the sun shines for us all
No matter where we stay
And on one thing we agree
That peace is the way

chorus

Sing a song for peace,
For everyone to hear
Sing a song for peace
Let it ring loud and clear

Zamru zemer la'shalom
Le'chol echad she'ba ha'lom
La'shalom zamru ha'shir
Be'kol ram u'va'hir

verse

We share our world with many neighbors
Again it's time to take a chance
To be friendly to one another
And join into life's dance

For our world is full of problems
Each and everyday
Starting now, let's smile and sing out loud
That peace can pave the way

chorus

Sing a song for peace
For everyone to hear
Sing a song for peace
Let it ring loud and clear

Zamru zemer la' shalom
Le'chol echad she'ba ha'lom
La'shalom zam'ru ha'shir
Be'kol ram u'va'hir

Zamru zemer la'shalom,
Le'chol echad she'ba ha'lom
Sing a song for peace.....
Sing it loud.....sing for peace.....let's sing for peace....
