**YESH LI CHALOM (I HAVE A DREAM)**

music and lyrics by Elaine Serling (ASCAP)

chorus

I have a dream, day after day  
That love and peace, will soon be here to stay  
Join me in my dream, let's find a way  
To share my wish for peace, with everyone today

Yesh li chalom, mi- yom le- yom  
Yesh li, yesh, yesh li chalom  
Yesh li chalom, mi -yom le-yom  
Yesh li, yesh, yesh li chalom

verse

Like sunshine warms the path  
Smiles can do it too  
Be a friend to someone  
They'll be a friend to you

chorus:

Yesh li chalom, mi -yom le -yom  
Yesh li, yesh, yesh li chalom  
Yesh li chalom, mi-yom le-yom  
Yesh li, yesh, yesh li chalom

verse

Like starlight shinning bright  
We can light the way  
By caring for someone,  
Each and everyday

bridge-

Together we have hope, together we can be  
Striving for peace, joy and harmony

chorus

Yesh li chalom, mi-yom le-yom  
Yesh li, yesh, yesh li chalom  
Yesh li chalom mi-yom le-yom  
Yesh li, yesh, yesh li chalom

verse

I have a dream, day after day  
That love and peace will soon be here to stay  
Join me in my dream, let's find a way  
To share my wish for peace, with everyone today
